'White Lodge' is a prestigious development of apartments sensitively converted from a former hotel on the corner of Grosvenor and Durlston Road on the southern slopes of Swanage. Located approximately one third of a mile from the sea front and a short distance from the countryside and pathways along the Jurassic Coastline the apartment would suit those who enjoy a peaceful environment, the seaside and exploring the local area.

Enter through the main entrance door of White Lodge into an ornate lobby on the ground floor with lift or stairs ascending to the first floor and reach the front door of the apartment. Step through a small vestibule and a second door opens into a spacious hallway fitted with a large storage/cloak cupboard and video entry phone system.

A fully glazed door invites you into a wonderfully light, 'L' shaped and open plan Living, Kitchen and Dining area boasting dual aspect windows with an outlook towards Swanage Bay and Ballard Down. A bi-fold door opens onto a bowed Balcony allowing space for patio table and chairs and a place to enjoy the vista and fresh air throughout the seasons. The Lounge area sits to one side of the room with a fireplace with inset flame effect gas fire as the focal point; table and chairs are perfectly positioned between the balcony and kitchen so that the lovely outlook can be enjoyed whilst dining, and the neat Kitchen comprises a range of modern range of marble worktops with splashbacks, complementary drawers, wall and base units, inset gas hob with electric oven beneath and filtration hood over. Included are integral microwave, dishwasher and fridge/freezer.

Another excellent feature of the property is private and spacious external terrace accessed from the kitchen via a glazed door. This presents an advantageous position to enjoy day-long sunshine, a quiet place to read or have refreshments with friends.

Return to the Hallway to find the Principal Bedroom which enjoys sea and hill views and the benefit of ample built-in storage. An en suite shower/wet room comprises walk-in shower with tiled surround, washbasin within a vanity unit and low-level W.C. Bedroom Two has a fine southerly outlook onto the roof terrace through a feature, stone surround windows and a pair of double wardrobes provide plenty of storage space. Finally, the adjacent Bathroom has a tiled floor and mostly tiled walls and comprises an attractive and modern suite of bath with shower over and shower screen, combination washbasin and WC and large linen cupboard with space for washing machine.

To the front of the building is an allocated parking space with visitor parking available and a communal storage unit.
