Welcome to Stafford Road, a row of traditional Purbeck Stone townhouses which line the road all the way to Swanage town centre, an ideal spot for families, holiday seekers or those simply wishing to live a stone's throw from the sea. Swanage is a classic seaside town in a world of its own, with boutique and independent shops, award-winning beaches, pubs, schools and churches.

Step through the front door and be welcomed into a tall and characterful entrance hall. On your left is a bright and cosy living room, with space for a coffee table and sofas. The ceilings are high, adding a sense of grandeur to the room. The feature of this room is the original fireplace with tile slips,

oozing with character. Next, along the hallway is the utility room, an ideal space for laundry and equipped with plumbing for a washing machine.

At the end of the hallway there is a spacious dining area, leading effortlessly into the kitchen. The dining area is light and open with room for a large dining table and sideboards. Into the kitchen, where you will find ample cupboard and work top space, built in appliances and door out to the garden.

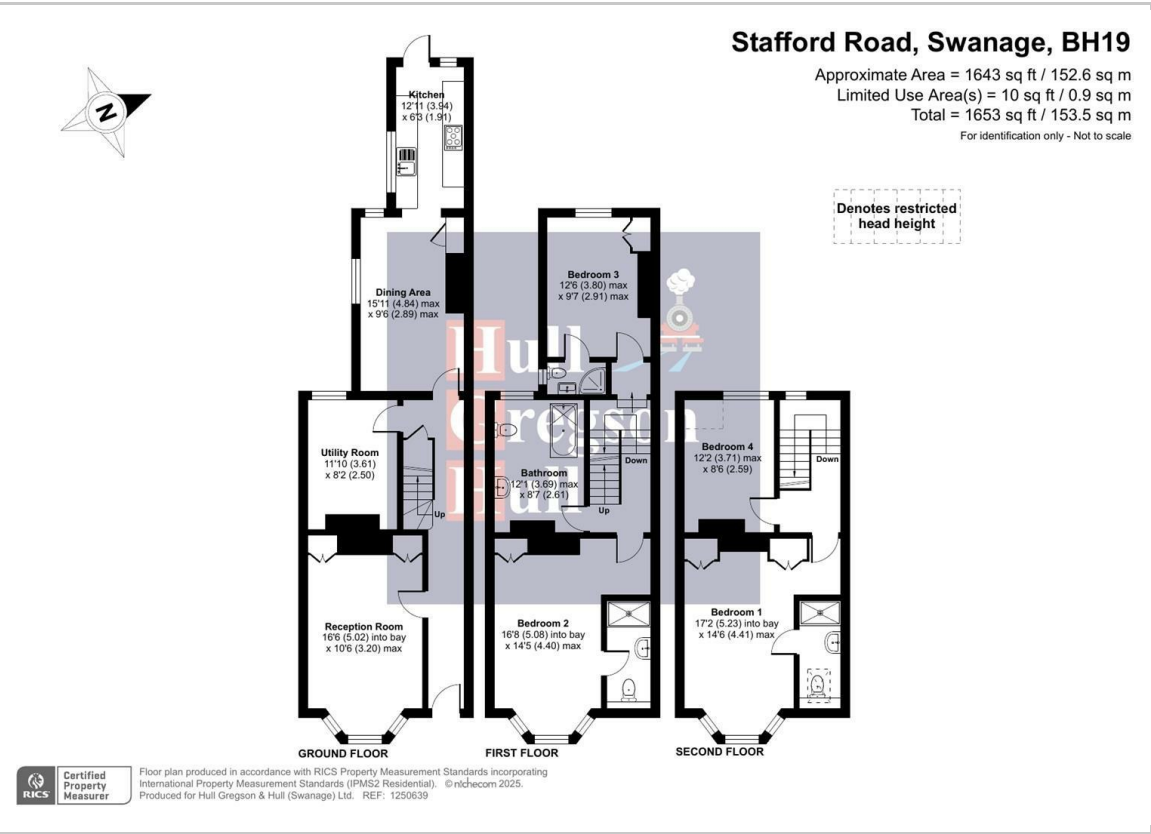

From the hallway, the impressive Edwardian staircase leads you up to the first floor accommodation, with two good sized double bedrooms and an exceptionally large family bathroom, with a feature roll top bath and shower over, wash basin and W.C. Bedroom two has another stunning original slip tiled fireplace, feature bay window and space for a breakfast table, with wonderful sea glimpses to enjoy over croissants and coffee! There is the added luxury of an ensuite shower cubicle, wash basin and W.C. Bedroom three is a characterful room again with ensuite shower cubicle, wash basin and W.C. Here you will also find pleasant views over the garden.

The second floor comprises of the beautifully decorated large principal bedroom with ensuite shower, wash basin and W.C., built in storage and bay window looking out to wonderful sea views. There is also a single bedroom with chimney top views towards the Purbeck hills.

The property has been recently double-glazed throughout.

Outside, the walled Purbeck Stone garden is filled with greenery, flowering shrubs and relaxing seating areas.
