against the views of the bay. The space here is ideal for a large sofa suite and has ample room for coffee table and display cabinets. Floor to ceiling glass doors flood the room with natural light and beckon us out onto the private balcony. here there is plenty of space for a bistro dining set or comfy outdoor furniture to sit with a glass of something chilled and watch the world go by. The balcony is covered overhead allowing you to enjoy the scenery all year round.

Returning to the hallway, doors lead to the two double bedrooms and the family bathroom. Bedroom one is a spacious double bedroom with the added benefit of an ensuite shower room, comprising double length walk in shower, W.C., and wash basin vanity unit. Large dual aspect windows in the bedroom flood the space with natural light, and provide pleasant views towards the steam train station. Bedroom two is another generous double bedroom with its own balcony, so one can enjoy sipping a coffee whilst watching the classic steam train puffing into station. The family bathroom is situated in the middle of the hallway and comprises a panelled bath with shower over, W.C., and wash basin vanity unit. Both the bathroom and ensuite are also fitted with LED mirrors.

Outside, the building boasts an attractive, modern look with Purbeck stone features, well-maintained Alpine beds and accessible access. An allocated parking space and storage cupboard are both included and are to be found at the rear of the property.
