Apartment 8 is on the second floor of a complex of nine superior apartments converted from the old Highcliffe Methodist Guest House. With much of the character of the original building retained an impressive entrance door and hallway welcomes and balustrade staircase rises and turns to the main door of the apartment which is on the second floor.

As you enter the main door, you are greeted by a bright, split-level hallway bringing you to Bedroom Four which has a westerly aspect and the benefit of flexible use for example Guest Room, Study or Office. A built-in cupboard allows for extra storage and a convenient vanity sink unit is installed. A useful storage cupboard is located over the stairs.

The main accommodation and the eye is immediately drawn through a magnificent Reception room to the coastal view beyond. This stunning and well proportioned living/dining room, along with the whole property, has been decorated and carpeted to leave a bare canvas for a new owner to add their own choice of decor and style' whilst a turret style nook, tall ceilings and some original features add to the room's character.

The main features are the floor to ceiling windows and by-fold doors opening out onto a spacious decked Balcony with glass surround which allows the marvellous marine views to be enjoyed from indoors and out. Where better setting to take in the sea air, watch the sun rise or watch the Carnival Fireworks towards the town?

Positioned alongside the living/dining area is a spacious Kitchen which has window and feature arched openings to allow glances to the sea whilst occupied. It is well provided with solid wood worktops, ample gloss cream storage cupboards with built in appliances including 'Neff' eye level oven and grill, five-ring gas hob with filtration hood over; fridge/freezer, dishwasher and washing machine. The flooring has been laid with wood laminate for ease of care. Opposite the kitchen, Bedroom Three with southerly facing bay and separate window allowing light to flood the room and a built in utility cupboard providing space for a tumble dryer and washing machine with plumbing fitted. Along the hallway, and further to the airing cupboard we find Bedroom Two, a spacious, southerly facing room with two picture windows with an interesting, elevated view across the town. It provides a built-in sliding-door wardrobe with vanity sink unit alongside.
