Located just 100 metres from open countryside and the Parish Church, the property boasts an enviable position that is both convenient and picturesque.

Spanning three floors, Bakery Cottage provides exceptionally spacious accommodation, ideal for families or those seeking a holiday letting opportunity, as it has successfully generated an excellent annual income in recent years. The ground floor features a generous living room that stretches across the width of the

property, complete with a charming Purbeck stone fireplace and a gas stove, perfect for cosy evenings. Additionally, there is a well-proportioned dining room and a functional kitchen, making it an ideal space for entertaining.

On the first floor, you will find three double bedrooms, complemented by a spacious family bathroom and a separate shower room. The principle bedroom, located on the entire second floor, offers an en-suite and delightful views of the Purbeck Hills.

To the rear of the cottage lies a large single-storey building, formerly the main bakery. A pre-planning application has been submitted to Dorset Council for its redevelopment, with positive feedback indicating that the creation of a new residential plot is acceptable in principle, subject to standard planning considerations. This presents an exciting opportunity for potential buyers to expand their investment. This property also benefits from a spacious driveway with parking for multiple vehicles.

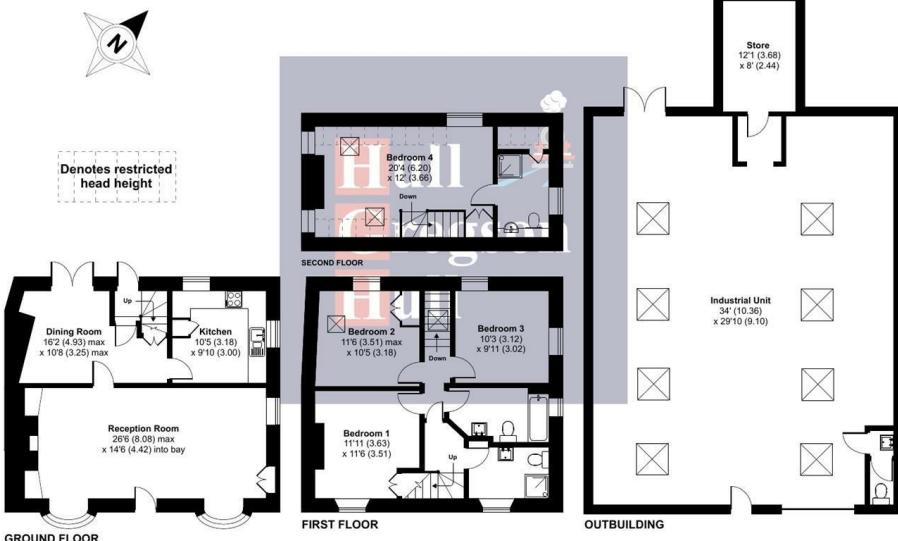

The property is further enhanced by an enclosed courtyard garden, featuring paved areas and flower beds, perfect for enjoying the outdoors. Langton Matravers is ideally situated near the stunning Jurassic Coast, a UNESCO World Heritage site, and is just 2.5 miles from the seaside resort of Swanage, known for its beautiful sandy beach. With the market town of Wareham only 9 miles away, offering mainline rail links to London Waterloo.
