To the left of the front door, you will find the downstairs shower room. The shower room has underfloor heating and includes a double width walk-in shower, low-level W.C, wash-hand basin and an LED light up mirror. Centrally in the entrance hall you will find a doorway that leads you directly into the open plan kitchen/dining/living area. The

living area features a characterful wood burner and outward opening double glazed French doors allowing for plenty of natural light. To the right of this open plan space, you will find the beautifully presented kitchen. The kitchen includes ample wall and base mounted units offering ideal sideboard space for any food preparation or kitchen appliances. The kitchen benefits from integrated appliances such as a combi oven, five ring gas hob and an overhead extractor fan. Adjoining the kitchen the dining area can be found, offering a generous space suitable for a large dining room table. The dining area boasts outward opening double glazed French doors leading into the garden. Adjoining the dining room you can find a very convenient utility room, offering multiple wall and base level units and space and plumbing for a washing machine and tumble dryer. Completing the ground-floor accommodation is a large double bedroom that could alternatively be used as another ground floor reception room. The bedroom has an easterly facing aspect via large double glazed windows.

The stairs ascend to the first floor accommodation where you are met with a spacious landing that includes two large storage cupboards. Bedroom one is a large double bedroom with a southerly aspect and a pleasant view through floor to ceiling windows and built-in double wardrobe. Inclusive in bedroom one is an en suite shower room with a low-level W.C and wash-hand basin. Bedroom two is also a large double with floor to ceiling windows and built-in wardrobe. Bedroom three is well proportioned and would make perfect accommodation for guests. The modern bathroom is comprised of a suite including bath, wash-hand basin, WC and a separate shower cubicle. A Velux window allows for plenty of natural light with supplementary LED spotlights.

Externally, a large gravelled forecourt offers off-road parking for multiple vehicles and ample space for construction of a garage STPP. To the side of the house an access leads to the rear of the property and upon entering the southerly facing rear garden, you are greeted with a spacious patio area ideal for garden furniture or outside stoves. A pathway then leads to the remainder of the garden which is predominantly laid to lawn with a hedge line border to the left and shrubs to the right providing an ideal amount of privacy. This garden is simply superb and would make a great summer retreat or an excellent entertaining space especially during the warmer months.
