The apartment benefits from a dedicated covered CARPORT, TWO DOUBLE BEDROOMS, TWO BATHROOMS and a BEAUTIFUL SITTING ROOM/DINING AREA with GORGEOUS VIEWS over the bay.

This sympathetically converted Victorian Villa boasts many original architectural features, including high ceilings and feature fireplaces. The accommodation, with security intercom, occupies it's own floor and is accessed via a wooden

staircase, which leads to the apartment. An entrance hallway provides access to all accommodation with oak doors throughout. The sitting room with dining area is immaculately presented with a turret, creating a perfect snug seating area offering sensational sea views over the town and bay. The room is spacious, with oak flooring, a feature fireplace and ample space for a range of furniture.

Proceeding down the hallway is a second feature fireplace and access to the further accommodation. The kitchen has a light and airy feel and comprises a range of modern beige cabinets with granite worktops over, integrated oven with extractor hood over, a built in dishwasher, built in fridge/freezer and an inset sink unit.

The property benefits from two sizeable double bedrooms. Bedroom one boasts a front aspect, sea-facing bay window as well as an en-suite shower room with corner shower cubicle, a low-level WC and wash hand basin. Bedroom two has ample space for a double bed and a range of bedroom furniture. Completing the accommodation is the bathroom which comprises a panelled bath, low level WC and wash hand basin, complimented by sea blue tiled walls.

Externally the property benefits from an allocated parking space set under a covered carport, as well as well manicured communal gardens and outside lighting. NO ONWARD CHAIN!

The coastal town of Swanage is situated on the Isle Of Purbeck, part of the Jurassic Coastline. It is well known for its award-winning beach with gently sloping golden sands, it's quaint shopping streets with great range of local eateries and famous steam train. Local produce, fine food, great exploration, history and fresh air are just some of the words we'd use to describe this beautiful part of the world.
