Situated a short distance from the North Beach accessed via Sheps Hollow or Burlington Chine, and one mile from the charming hub of Swanage town centre with attractions such as Victorian Pier, Steam Railway and many festivals throughout the year, the Hotel has been successfully run for the past six years by the current proprietors.

Enter through the main door and into

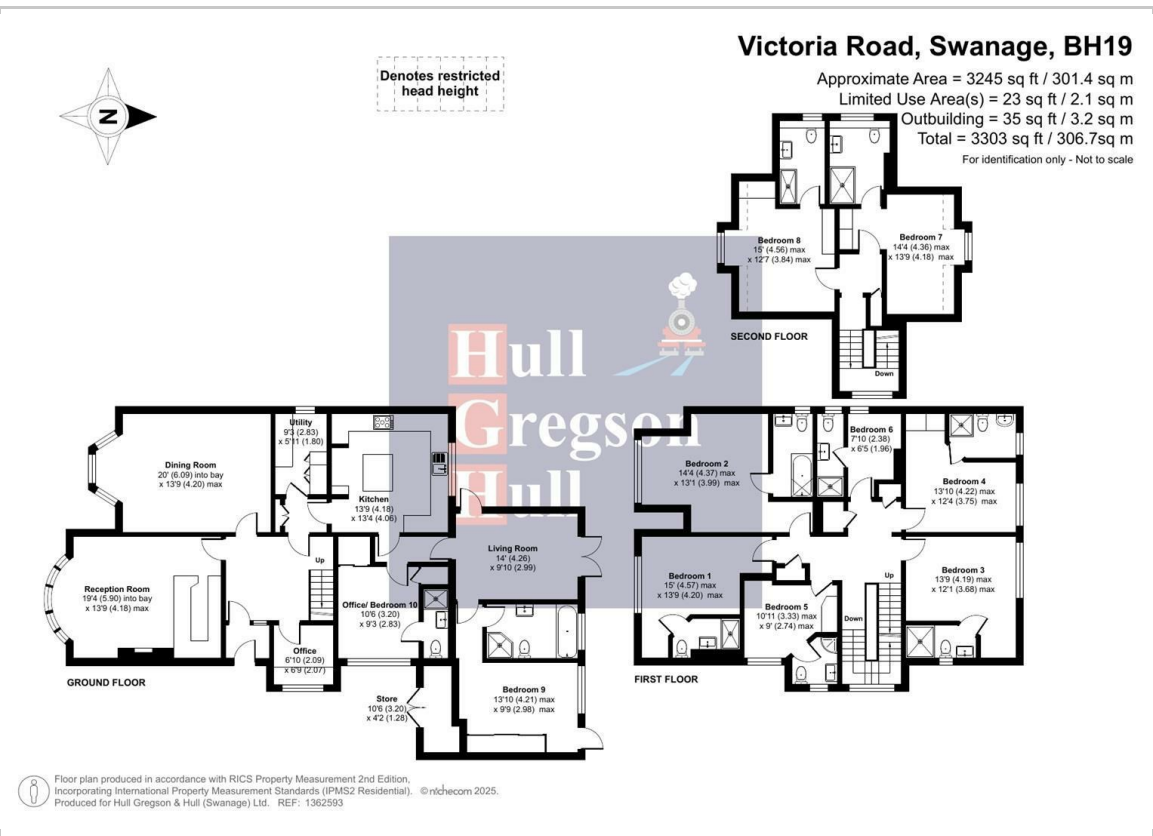

the Reception area with an office suitably located and doors open to the Guest Lounge/Bar, the Dining Room and to the Kitchen and Owners' Accommodation. A staircase rises to the upper floors.

The Breakfast/Dining Room seats sixteen comfortably and the adjacent Lounge Bar provides a comfortable and congenial place to spend an hour or two after a day in the town, on the beach or after discovering the beautiful countryside walks along the Jurassic Coast from Studland or Durlston.

Ascend the staircase to the first and second floors to find the bedrooms, each individually designed with comfort and relaxation in mind and combined with either private bathroom or shower room. Rooms are equipped with double, twin or king-size beds, are beautifully furnished and have ample wardrobe space and room for suitcase storage. Some rooms have views to the hillside of Ballard Down.

On the ground floor, the Kitchen is well appointed to commercial standard with, in particular, a six ring gas burner with ovens and warmer with filtration canopy over, dishwasher and American style fridge, plenty of hard wearing marble worktops and cupboard storage for crockery and equipment. A marble-topped breakfast bar provides an excellent, occasional dining space. A Utility room is to be found alongside the kitchen and this provides space for extra capacity washing machine and tumble dryer and storage space.
