This is a generous room with feature bay window plus dual aspect windows to allow plenty of natural light. There is space for comfy sofas, coffee table, TV and console, and room for additional dining furniture, all brought together by the homely brick fireplace, making this room truly the heart of the home.

Next door is bedroom two, a good sized

double room ideal for those who prefer level accommodation. There is easy access to the contemporary family bathroom, equipped with modern fixtures and bath with shower over, heated towel rail, W.C., and wash basin.

The kitchen/dining area is another large, stylish space. The kitchen comprises a four-ring gas hob, oven, inset sink, plumbing for a dishwasher and washing machine, plenty of base and eye-level storage space and room for a large fridge/freezer. The breakfast bar adds more space for informal dining, before heading out through the French doors onto the sun-bathed deck. This is a great space for alfresco dining, with pleasant views towards the church and mill pond. Walk down the steps from the deck to find another private garden area, with minimal maintenance and a perfect place to catch some sunshine.

Moving upstairs to the top floor, there is the principal bedroom, tucked away from the rest of the home to provide the ultimate sense of privacy and calm. This room is a good-sized double room with some built in storage and a skylight, making this room a bright and inviting space. Next to bedroom one there is a games room that could easily be used as extra storage or a closet if preferred.

This beautifully presented two bedroom maisonette offers the rare opportunity to own a property situated just a stone's throw from Swanage Town Centre, making all amenities easily accessible by a short walk. Swanage is a traditional seaside town with award-winning sandy beaches, classic cinema and theatre, steam train line and a plethora of boutique shops, independent pubs, schools and churches.

Viewing comes highly recommended.
