Flooded with natural light from multiple windows and French doors opening directly onto the rear garden, this exceptional living space effortlessly combines cooking, dining and relaxation. The generous dining area comfortably accommodates a large family table, while the adjoining seating area creates the perfect place to unwind whilst remaining connected to family life. During the warmer months, the French doors extend the living space outside.

Positioned at the front of the property, the separate lounge offers a calm and inviting retreat away from the main living space. A large picture window allows natural light to pour into the room while offering pleasant views over the front aspect. Tastefully decorated in neutral tones, the room provides ample space for comfortable seating and is perfectly suited to relaxing evenings or welcoming guests.
