

area edged green to be subject to blanket tree planting of 2 year old whips at density 1 per metre square species to include silver birch, larch and rowan.

[illegible]

Diagram illustrating ground grouted at 1m<sup>2</sup> below retaining wall. The diagram shows a retaining wall with a horizontal line indicating the ground level. Below the wall, a dashed line represents the grouted area, labeled "grouted area". A vertical arrow points down from the wall to the grouted area, labeled "grouted at 1m<sup>2</sup> below retaining wall".

as seen perpendicular to section B indicating reduced exposed section of wall towards sections A and C
