# energy efficiency

In line with Government Legislation, we are now able to provide an Energy Performance Certificate (EPC) rating (see table on the right)

| Energy Efficiency Rating                    |                         | Current | Potential |
|---|-------------------------|---------|-----------|
| Very energy efficient - lower running costs |                         |         |           |
| (92 plus) A                                 |                         |         |           |
| (81-91) B                                   |                         |         |           |
| (69-80) C                                   |                         |         |           |
| (55-68) D                                   |                         |         |           |
| (39-54) E                                   |                         |         |           |
| (21-38) F                                   |                         |         |           |
| (1-20) G                                    |                         |         |           |
| Not energy efficient - higher running costs |                         |         |           |
| England & Wales                             | EU Directive 2002/91/EC |         |           |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |                         | Current | Potential |
|---|-------------------------|---------|-----------|
| Very environmentally friendly - lower CO <sub>2</sub> emissions |                         |         |           |
| (92 plus) A   |                         |         |           |
| (81-91) B   |                         |         |           |
| (69-80) C   |                         |         |           |
| (55-68) D   |                         |         |           |
| (39-54) E   |                         |         |           |
| (21-38) F   |                         |         |           |
| (1-20) G  |                         |         |           |
| Not environmentally friendly - higher CO <sub>2</sub> emissions |                         |         |           |
| England & Wales   | EU Directive 2002/91/EC |         |           |

AGENTS NOTES Please note that we have not tested any apparatus, equipment, fixtures, fittings or services and so cannot verify the they are in working order or fit for their purpose. Furthermore solicitors should confirm moveable items described in the sales particulars are in fact included in the sale since circumstances do change during marketing or negotiations. A final inspection is recommended prior to the exchange of contracts. Although we try to ensure accuracy, measurements used in this brochure may be approximate. Therefore if intending purchasers need accurate measurements in order to have carpets fitted or ensure that existing furniture will fit they should take the measurements themselves.
