A four-bedroom, modern townhouse, on the sought-after northern slopes of Bath. Offered unfurnished.

Inside, the high ceilings and open plan spaces are complemented with discreet storage, clean lines and slick decor. There are engineered oak floorboards throughout the first two floors, with underfloor heating on all three. The hallway has floor-to-ceiling built-in cupboards, doors to a WC and utility room on the left and, straight ahead, a doorway into the L-shaped open plan kitchen, dining and living rooms. It's an impressive layout, with sliding glazed doors opening directly into the garden, seamlessly linking the indoor and outside spaces. The kitchen has soft taupe coloured units, including a large central island, integrated Siemens appliances including two ovens, two fridge-freezers, a dishwasher, a wine fridge, and a Quooker boiling, filtered cold and sparkling tap. Most of the cupboards have been enhanced with pullout drawers to increase storage and improve access.

On the first floor, the reception room extends the full depth of the house and has sliding doors to a generous L-shaped outside terrace at the rear. The addition of a modern, electric fireplace creates a focal point to the room. Storage has been added with a contemporary fitted cupboard. The master bedroom has full-height fitted wardrobes and matching vanity unit, an ensuite with shower and sliding glazed doors onto the outdoor terrace. Another bedroom on this floor - which is currently used as an office/snug - faces the front of the house and has more useful built-in storage. On the second floor, there are two bedrooms, a family bathroom, and two glazed doors onto another spacious outside terrace at the side of the property. Both bedrooms have built-in wardrobes.

The rear garden is accessed from the kitchen/dining room, the decking providing a smooth transition in and out. The garden has a paved oval area at the centre and evergreen planting filling the spaces it creates to the borders
