HAMLYN SMITH

Available with no onward chain, this is a rare opportunity to secure a truly special home in an exclusive Kings Weald setting.

This exceptional five-bedroom detached flint property has been thoughtfully extended and improved, by the current owners, creating a substantial and beautifully balanced family home. Backing onto woodland with a gentle stream beyond, it offers a remarkable sense of peace, privacy and natural outlook that's increasingly hard to find.

Arranged over three floors with an attached double garage, the home has been carefully maintained and beautifully presented throughout, blending contemporary finishes with a warm, welcoming feel. The gardens are a real highlight — mature, private, and enjoying a sunny aspect throughout the year.

The location is equally appealing, with Wivelsfield and Burgess Hill stations within walking distance, plus nearby access to Bedelands Nature Reserve and Ditchling Common. Kings Weald itself offers a strong community feel with café, Co-Op with bakery and Costa Coffee, community centre, play areas, ponds and sports courts.

To the front, a private driveway leads to the double garage with electric doors and EV charging point. A neat frontage and added porch create a welcoming entrance, opening into a well-proportioned hallway with WC and access through to a useful utility room and sun room.

At the heart of the home is a generous kitchen/diner with integrated appliances and space for both dining and a breakfast area, opening via an internal pass-through to the sun room. This versatile space enjoys garden views, underfloor heating and access to the garage, which offers further scope for conversion (STPP). The main living room is bright and spacious, featuring a fireplace, triple aspect and French doors onto the garden.

Upstairs, the principal suite spans the full width of the house with dressing area, fitted wardrobes and en-suite. There are four further bedrooms across the first and second floors, including a home office, plus two additional bathrooms and excellent built-in storage.

Outside, the rear garden is designed for both relaxation and entertaining, with low-maintenance Astro Turf lawn, extended flagstone patio and covered terrace with Wisteria. An outdoor kitchen with BBQ and warming drawers, mature planting and a charming home-bar complete this impressive and highly versatile family home.
