HAMLYN SMITH

Situated in a sought-after central Hassocks location, this well-presented first-floor apartment offers bright and spacious accommodation, complemented by a share of freehold and access to well-maintained communal gardens.

Hassocks Lodge is a well-maintained purpose-built apartment development, set back from Keymer Road in a highly convenient village location. Residents benefit from attractive communal gardens, covered allocated parking and easy access to local shops, cafés and amenities, while Hassocks mainline station is just a short walk away, providing excellent connections to London, Brighton and the South Coast. The development is popular with a wide range of buyers seeking spacious accommodation in a well-established residential setting.

The property is accessed via a communal entrance hall, with stairs leading to the apartment. Inside, a generous entrance hall provides access to the principal rooms. The two double bedrooms are positioned on one side of the apartment, with the larger bedroom benefiting from space for freestanding wardrobes. The spacious living room is located on the opposite side of the apartment and is flooded with natural light from a large bay window overlooking the communal gardens, with Juliet Balcony. The room offers ample space for both living and dining areas, creating a versatile and inviting environment. Leading from the living room, the separate kitchen is well-appointed with wrap-around worktops, ample cupboard space and a range of appliances, including a ceramic sink and drainer, gas hob, double oven, and space for a freestanding fridge freezer and dishwasher. A breakfast bar provides a practical dining area, while a useful cupboard houses the recently installed (2024) combination boiler.

The shower room is fitted with a walk-in shower, wash hand basin with vanity storage and comes fully tiled, while a separate WC is located next door. Further storage is available via a useful hallway cupboard.

Externally, residents enjoy access to attractive communal gardens, providing a peaceful outdoor setting with seating areas and mature planting. The share of freehold further enhances the property's appeal, offering greater long-term control and security. The surrounding South Downs countryside is also within easy reach, offering an abundance of scenic walks and outdoor pursuits.
