OC Homes are delighted to offer for sale another stunning two bed, two bath apartment, set on the first floor of this sought after development next to Blackhorse Lane in Walthamstow. Having sold the last two in the development in a matter of days, we bring another superb apartment on Hoffmans Road to the market, which is sure to go quickly. The property is ideal for first time buyers or buy to let investors, with it being a great size at almost 850 sq ft, and tastefully decorated throughout, boasting great light and space. Situated in a prime location, just two minutes' walk from the Tube Station on Victoria Line, getting to Kings Cross in 12 minutes and Oxford Street in 17 minutes.

The property is very well laid out, with a larger space than other two beds in the development, and features a stylish open plan reception area with fully fitted kitchen, complete with integrated appliances and lots of units to eye and base level. The living area is bathed in natural light and has large patio doors leading out to a lovely private balcony. There are two double bedrooms (one with en-suite shower room) and a three piece bathroom suite.

The apartment is in excellent condition throughout and together with access to the communal garden, there is also the benefit of secure bike storage with excellent cycle routes nearby. With lots of local amenities and being in a sought after location, the property is sure to attract a lot of interest with a number of enquiries in place from those who missed out on the last apartment OC Homes had in the development. Please call the OC Homes sales team to arrange a must see viewing.
