

Flat 2, 171B Gypsy Road

London, SE27 9QT

Asking Price £515,000

Galloways are delighted to present to market this stunning three bedroom flat on Gypsy Road, situated in a quiet secure gated development. The property has been finished to a high standard throughout and benefits from having two bathrooms, two outside terraces. A modern and contemporary open plan kitchen/living area. Three generous sized bedrooms and an off street parking space. Viewings are highly recommended.

"What's unique about this property is how quiet and secluded it feels. The Development is set back from the road and is gated. You have to strain to be able to hear the noise of traffic. It's easy to forget there are neighbours as the flats are so well insulated - great for cranking up the volume on Netflix during the peak of lockdown.

The flat has a lovely patio space that gets the afternoon and evening Sun. It looks out towards beautifully kept trees and wild plants along the side of the access path. Additionally, the master bedroom has its own secret patio which is a perfect place to escape with a Whisky!

The amenities in the local area have improved hugely in the last few years - a new Buddgens within a 2 min walk being a highlight. Directly opposite the Development is a very underrated park with spectacular views of The City that make a trip here worth it on its own. If you're looking to go further, there is a bus stop directly outside that goes to Crystal Palace / Brixton and Gypsy Hill Station is an 8 min walk. "
