Grove Cottage 12 Osborne Road, East Cowes

£245,000

This former residence of Queens Victoria's coachman, Grove cottage oozes character whilst successfully blending modern touches to create a lovely family home. To the front of the home you have a generous dining room, leading through to a centrally placed, stunning kitchen/breakfast room, which has been recently re-designed by the current owners. An additional reception room is positioned to the rear, alongside a large, family bathroom - creating flexible living accommodation. Upstairs there are three large double bedrooms and a very handy en-suite cloakroom to the second bedroom. The design of the house is unusual, in that it has two staircases - adding to the flexibility and allowing the home to offer the potential to be split into separate residences (subject to relevant works and permission). The garden to the rear is a manageable size and provides a new owner the opportunity to create their own haven. Freehold. Council Tax -B. EPC D-60.
