This very pretty semi detached cottage is positioned conveniently close to the town centre, yet tucked away in a quiet residential street. The home is beautifully light and deceptively spacious, offering accommodation warmed by gas central heating and with UPVC double glazing. The comfortable sitting room is positioned at the front of the home with a gorgeous period fireplace as a focal point. The large kitchen/dining room is set to the back of the home, well stocked with a good range of units and plenty of space for a table. A rear window and door look and lead to the rear garden. On the first floor is a double bedroom with an elegant papered accent to one wall, and a cleverly created en-suite WC. There is a large bathroom on this floor, whilst on the top floor is a second double bedroom with gently sloped ceilings. The secluded, gently terraced rear garden is sunny and private creating a little oasis to sit out and enjoy. This really is a very appealing cottage in a great location - offered Chain Free. Freehold. Council Tax - Band A. EPC - E-51. Please note that the side wall is three storey single skin and therefore the property is unlikely to be mortgageable.
