6 Strathwell Crescent, Whitwell

£360,000

This beautifully presented detached bungalow has been thoughtfully modernised and extended to create a stylish home that seems to have it all! Set in a pleasant crescent near the heart of this popular village, the home enjoys oil central heating and UPVC double glazing. A spacious entrance hallway has elegant oak doors leading to all rooms including the large triple aspect lounge with a handsome Clearview stove with chic patterned heat shield panel behind complementing the decor. The attractive kitchen is fitted with a range of glossy white units with sleek oak block worktops and fun red tiled splashbacks. There is a white induction hob, eye level oven and large white ceramic sink. The room leads into a fabulous conservatory. This wonderful addition to the home creates a large dining and sitting room and frames an outlook to the garden as well as giving stunning downland views. The bungalow has three pretty bedrooms, two being generous doubles. They are serviced by a stylish shower room featuring a large walk in enclosure.

The home has parking to the front on the handsome stamped concrete driveway which also gives access to the former garage. This has been imaginatively extended and split to create a large storage area to the front and spacious utility room at the rear which houses the oil central heating boiler. The level, good sized and very private rear garden has been beautifully landscaped to include a central lawn and various areas ideal for al-fresco dining. One has a smart metal framed arbour with sun shade cover and specimen shrubs and trees add structural interest. There is a handy garden shed and fabulous, large heated garden room - ideal as a home office, gym or studio. The whole garden and rear-facing rooms enjoy the breathtaking downland views.

Add to this seemingly perfectly thought-out bungalow solar panels subsidising the home's electric use and I dare anyone not to fall in love!
