59 Fellows Road, Cowes

**£195,000**

This pretty period cottage is set in an elevated position with some UPVC double glazing (at the front) and an untested gas central heating system. The accommodation includes a long hallway; sitting room; dining room; small kitchen and bathroom/utility room on the ground floor. On the first floor are two double bedrooms with the rear bedroom linking through to a large shower room and with a door concealing a staircase up to a substantial attic room. The house requires thorough modernisation but has lots of potential for improvement. An area of flagstone terrace to the rear steps up to a small lawn. Most of the garden is taken up by a substantial workshop which is accessed from the pedestrian path at the rear. This pathway leads down to Grove Road where there is a large, sturdily constructed car port and storage shed. This rare and valuable asset is likely to prove very popular with potential buyers. CASH BUYERS ONLY (due to two storey single skin extension on the house). Freehold. Council Tax Band - B. EPC D-64
