Don't always judge a book by its cover, comes to mind with this stunning family home. Its seemingly ordinary exterior belies what you find internally when you are welcomed into this bright, spacious and beautifully styled home. Two interlinking reception rooms and the very pretty kitchen with large Island- provide super entertaining spaces, whilst the rear sun room which extends beyond the kitchen, gives you a separate dining space linked to the garden. A handy downstairs utility room and separate shower room, complete the ground floor. Upstairs you have a spacious landing area giving access to three double bedrooms and chic, modern family bathroom. To the rear of the home, is a beautifully sunny garden which is partly laid to patio with lawn beyond. Vehicular access along the side of the home and round to the rear opens to a large parking area and substantial garage- making this home quite unique for the road. It's hard to believe the home is located on a main road once you are inside, so we highly recommend people see this hugely appealing home to experience it for themselves.
