This spacious link-detached bungalow is positioned on a popular road with a handy bus stop right outside. It is set within a large plot and has been beautifully upgraded in recent years. It provides fresh and smartly presented living spaces warmed by gas central heating and with UPVC double glazing. A useful porch leads into a large hallway with smart white doors off to all rooms. The good sized lounge is set at the front of the bungalow and is decorated in a peaceful scheme with a stylish fern green accent wall and deep box bay window. The kitchen is well fitted with a range of glossy white units with grey worksurfaces and fitted hob, oven and fridge freezer. There are three attractive bedrooms. The master bedroom is a large double room presented in a pretty pale heather colour with a panelled wall feature and outlook to the front. Bedroom two is set at the rear with a door linking to the garden. Both this room and adjacent bedroom three could easily double as pleasant additional reception rooms providing potential for flexible living. The chic shower room has recently been refitted with a large walk-in enclosure.

The bungalow is set well back from the road with gentle ramped access at the front. A driveway provides parking for several vehicles and gives access to the garage. A very large, level lawned garden lies to the rear and provides a private and attractive retreat.
