

£900,000 to £950,000 - Internal viewing of this large five bedroom period property is highly recommended to appreciate the space and flexibility it offers for any growing family. Boasting 3556 sq ft of accommodation and presented to an impeccable standard, this property offers high ceilings to the hallways, sitting room and dining room. The basement has an additional two rooms currently utilised as a second sitting room and games room, along with storage rooms/wine cellar. 4 double bedrooms, a large kitchen and ample storage make this a great family home. Built around 1850, there is a wealth of period features beautifully combined with modern touches and fabulous views of the surrounding countryside. This appealing home is located on the outskirts of the village of West Kingsdown down a sought after country lane flanked by farmland to both sides. The garden has recently been updated with resin pathways and patios and offers access to the side and rear. Approached via a brick block paved driveway, the property gives a pleasing first impression with bay window to the ground floor and entrance porch with ornate balustrading above and around the steps up to the front door. Attached double garage to the side with off road parking for several cars and a home office to the rear.
