Property Description

Situated on one of the larger plots in Tolsey Mead with great kerb appeal, the approach to the house offers great parking to the drive and a double garage. A covered entrance area leads you into a welcoming hallway with downstairs cloakroom and access to all areas including stairs to the first floor. Off the hall to the right is a spacious updated kitchen with window to the front and door to the side for access to the front and rear gardens. Behind the kitchen is a good sized dining room of similar proportions to the kitchen which, if wanted, could be joined as one overall space subject to building regulations. A large sitting room sits to the rear left of the property with feature fireplace and patio doors leading onto the rear garden. Again opportunities to join up spaces or extend to the rear are all possibilities. To the front is a third reception room, ideal for a study.

Upstairs off a central landing to all four corners in a simple layout are four double bedrooms. The principal bedroom sits to the front of the house with built in triple wardrobes and en-suite shower facilities which have been recently modernised. A family bathroom sits to the rear of the plan between two bedrooms and serves the other three rooms. Simply decorated with a white bath suite and tiling. The rear garden is a great size and has been added to by the current owner as they purchased additional land to the rear. A great mix of social patio close to the house meandering pathway and mature planted borders lead to a summerhouse towards the end of the garden. Access is given to the double attached garage with power and light that could also offer great opportunity to extend or change usage.
