LV PROPERTY is delighted to offer the perfect opportunity to acquire a one-bedroom apartment in Birmingham's famous Jewellery Quarter located on Legge Lane. In the heart of the Jewellery Quarter, 3-5 Legge Lane was originally built in 1893 as a steel pen 'manufactory' for George W. Hughes, the creator of 'The Million Pen'. Now Grade II Listed, it is one of the area's most architecturally celebrated buildings, notable for its distinctive Dutch-gabled terracotta façade.

The apartment itself is situated on the first floor of this development and comprises a spacious bedroom; family bathroom; large open-plan lounge as well as boasting a fully fitted kitchen including all integrated appliances. It is offered on a fully furnished basis.

This property further benefits from a secure gated entrance and communal gardens creating a calm oasis for residents. Within a five-minute walk to Jewellery Quarter's vibrant St Paul's Square, home to residents, local shops, bars, restaurants, and it's very own 18th-century church.

A viewing is highly recommended.
