Description

Pickering is a thriving market town found at the foot of the North York Moors National Park, along the A170 Thirsk to Scarborough Road. As a result there are excellent links to the East Coast and City of York where the train service runs from London to Edinburgh. Pickering has a good range of shops, a Monday street market, reputable schools for all ages and amenities that include doctors surgery, dental clinics, vets and library.

34 Westgate is a Grade II Listed inner terrace, stone and pantile cottage offering surprisingly roomy accommodation arranged over two floors. It has a cosy sitting room with a log burning stove, an inner hall with stairs that raise to the first floor and a fitted kitchen that widens into a dining area overlooking the rear garden. Upstairs there are two bedrooms and a house bathroom. To the rear a footpath extends down the south facing garden with the added benefit of a good sized timber studio with power installed along with another garden shed. The footpath continues to give rear access by foot across the neighbours garden to Firthlands Road.
