Description

Pickering is a thriving market town found at the foot of the North York Moors National Park, along the A170 Thirsk to Scarborough Road. As a result there are excellent road links to the East Coast, City of York and neighbouring market towns of Helmsley and Kirkbymoorside. The Coastliner bus service runs frequent buses through Pickering linking with Malton and its train station that provides a direct line to York and its Intercity London to Edinburgh service. Pickering has a good range of shops, 2 supermarkets, a Monday street market, doctors surgery, dentists and library.

Greenhaven is a custom built close of 8 stylish apartments built in 2007. They come with a communal garden, residents parking and with either one or two bedrooms. No.8 is a first floor apartment and boasts the two bedroom version. A wooden floored entrance hall branches to a light and airy living kitchen with a vaulted ceiling. Its kitchen has a range of integrated white goods and a dining bar and the sitting area has a balcony with pleasant roof top views. There are two good sized double bedrooms and a white suite bathroom.

Outside there is a brick set parking area for residents, with no.8 having two spaces. There is a timber framed, building housing the bins and recycling boxes as well as an outside tap. To the rear of the apartments is an area of communal garden down mostly to lawn. An external, metal staircase rises from the car park area allowing access to the apartment.
