Description

Willowgate is one of the older streets in Pickering that emerges from the town centre. It is a single lane road mostly lined with period stone cottages sloping gently down to the market place. Number 8 has a westerly front aspect and a rear garden that overlooks some of the town's allotments. There is street parking along some of Willowgate and the nearby streets and this cottage also has the advantage of a single garage.

Currently run as a holiday let, No.8 is a mid terrace stone cottage with a living room to the front, big enough for both sitting and dining areas. The fitted kitchen is fully equipped with a fridge/freezer, dishwasher, washing machine, oven and hob; again with enough space for a breakfast table. Upstairs there are two double bedrooms and a shower room.

Outside there is pleasant East facing garden, down to lawn with a gravelled footpath, raised flower beds and a timber framed summer house.
