Description

Pickering is an attractive market town situated along the A170, Thirsk to Scarborough road. It is a short drive to the east coast and to the surrounding market towns of Helmsley and Malton. Malton has a train station with regular links to the City of York and Intercity service beyond. Pickering has a active Monday Street market, a good selection of shops, schools for all ages and amenities which include doctors surgery, dentists, vets and library. There are interesting places to visit such as the Beck Isle Farming Museum, Pickering Castle, the North York Moors Steam Railway and the nearby Dalby Forest.

Ings Garth is a quiet street on the southern side of the town, lined by a mixture of property types. Number 35 is a detached bungalow with a westerly aspect, brick set drive parking that extends down to an attached garage. There is a low maintenance front garden and to the rear, the garden is mostly flagged with an additional decked area. There is a brick outbuilding/store as well as a timber framed shed.

Inside the bungalow, entered from the side, there is a fitted kitchen with a new oven and with space for a breakfast table. There is an inner hall that links the kitchen to a shower room with a newly fitted shower, two bedrooms to the rear of the property and a good sized sitting room with a window over looking the street to the front. The bungalow has gas central heating, uPVC double glazing and having recently fitted carpets and decoration has the convenience of being "ready to move into" without the requirement of any further major modernisation.
