Description

Pool Court is found to the Southern edge of the town and is thought to have been built by Barratts in the 1970's. This development is made up primarily of detached bungalows with the occasional house. It is an established, quiet close with some mature trees along it and flanked by farmland. This area is popular not only for its peaceful environment but also its proximity to the town's amenities, being just a few minutes walk, on the flat, to the shops, etc...

No.41 is a detached bungalow with a private south facing rear garden, ample drive parking and a detached garage. Inside, the property has been significantly modernised and refurbished over recent years to offer a fitted kitchen with some integrated white goods and additional space for a dining table. The bungalow has two double bedrooms to its rear, although currently one of these is used as a second reception room; with french doors opening onto the rear garden. The bathroom has also recently been converted into a shower room. The property has had new uPVC double glazing and gas central heating.

Outside the front garden has been partially flagged to offer parking for a number of vehicles and a drive to the side of the bungalow extends to a detached garage. The rear garden has been conveniently laid to low maintenance pavers and has the added benefit of field views beyond.
