Description

Pickering is a thriving market town found at the foot of the North York Moors National Park, along the A170 Thirsk to Scarborough Road. As a result there are excellent road links to the East Coast, City of York and neighbouring market towns of Helmsley and Kirkbymoorside. The Coastliner bus service runs frequent buses through Pickering linking with Malton and its train station that provides a direct line to York and its Intercity London to Edinburgh service. Pickering has a good range of shops, 2 supermarkets, a Monday street market, doctors surgery, dentists and library.

Ryebeck Court was built by McCarthy & Stone specifically to cater for the needs of retirement living. The development consists of 41, one and two bedroom retirement apartments for the over 60s. There is a House Manager on site and a 24-hour emergency call system provided via a personal pendant alarms and with call points in the bathrooms. The development includes a Homeowners' lounge, landscaped gardens, its own laundry room and communal storage room for bikes and mobility vehicles. There is a guest suite for visitors who wish to stay (additional charges apply) and a car parking permit scheme applies on the development. No.37 is a two bedroom, second floor apartment that looks out from the North side of the building. From its spacious entrance hall (with two good sized storage cupboards) there are two double bedrooms with the master having a walk in closet and an en suite tiled wet room adjoining it. The second bedroom is served by another shower room. The sizeable, double aspect living room has space enough for sitting and dining areas as well as an adjoining fitted kitchen.
