Description

Aspen Close is nicely established residential development within comfortable walking distance of the town centre. Pickering itself is a desirable market town providing a wide range of amenities including good local and high street shops, good schools and every day amenities.

6 Aspen Close comprises a semi detached, brick built house available to rent, to the right tenant, on a longer term basis.

The property comprises a front entrance lobby to store coats and shoes, a comfortable sitting room with laminate flooring, fireplace and useful understairs storage and there is a downstairs cloakroom housing a toilet and washbasin with disabled access. The kitchen is at the rear of the property and has French doors leading out to an enclosed, low maintenance paved garden. Both bedrooms on the first floor will accommodate a double bed and are served by a well appointed bathroom with shower over the bath.

The EPC Rating for this property is "C" helped by the fact there is double glazing throughout, cavity wall insulation, a good level of loft insulation and a relatively new gas central heating boiler still covered under the manufacturer's warranty.

Outside there is a detached, single brick built garage which can be accessed from the rear garden plus there is additional parking in front of the garage and alongside the house.
