## Description

The village of Normanby lies within the Vale of Pickering some 4 miles to the south of the A170, Kirkbymoorside being the closest Market town where a good range of local facilities are on hand including a reputable junior school, sports facilities, a well stocked deli, a chemist with dispensary, a Co-Op and an array of eateries. Other neighbouring towns such as Malton, Pickering and Helmsley are all within a 20 minute car journey. Normanby is within the catchment area of the reputable Sinnington Community Primary School.

Orchard Lodge was constructed by a local builder in 1988 and as the name suggests, is built on the plot of a former orchard quite close to the centre of the village. The bungalow itself is set nicely back off the main street with gravelled parking in front. Having been in the same ownership since new, the property has been a much loved family home. During the passage of time, however, fixtures and fittings have become dated so a scheme of cosmetic improvements would be beneficial. Heating is via LPG boiler and windows are double glazed.

The accommodation briefly comprises a spacious entrance and inner hall with doors leading off to a sitting room, dining room, kitchen (with side entrance door), a practical utility/laundry room, 3 bedrooms and bathroom. The main bedroom has an en suite shower room and bedroom 3 has previously been used as a study.

An integral garage (approx 17'9"x 8'10") comes with electricity connected so could be used as a workshop if needed given there is plenty of parking space on the drive in front. The gardens surrounding the bungalow are bounded by mature hedging and are well stocked with established plants, shrubs, fruit trees, patio and lawn. The rear garden is particularly private and during the Spring /Summer months enjoys a good degree of sunshine.
