Description

Carrier House stands prominently in the village with a southerly outlook over the picturesque Village Green bounded by its flowering cherry trees.

Langton is a picturesque Estate village situated some 3 miles to the south of Malton on the edge of the rolling countryside of the Wolds. The village is within a Conservation Area and set amid lovely countryside with many local walks and bridleways from the village. There is a Primary School in Langton and additional Primary and Secondary Schools are available in Malton and Norton. The Market Town of Malton offers an extensive range of amenities with varied shopping and a Railway Station with links to the Intercity service at York. The A64 can be easily reached via Kirkham Abbey or Stamford Bridge providing quick access to York, Leeds and the motorway network.

Numerous recreational pursuits are within easy reach with golf at Norton and Ganton, Racing at York and Beverley together with walks in the local countryside and the Derwent Valley.

Carrier House is a Grade II Listed Building believed to be Georgian and is unique in appearance being of brick and slate construction. The old joiners shop attached to the eastern end of the house is owned by Langton Estate and not part of the sale package. Traditional features include sash windows to the front elevation, ledge and brace doors and period fireplaces. These features combine well with the services and fittings including a fine kitchen with granite worktops electric aga and hardwood flooring.

There is an open garaging for 2 vehicles and ample parking to the rear and a useful brick and tile office detached from the house. The garden is private and predominantly laid to lawn, flanked by herbaceous borders and adjoins open fields to the rear.
