Adore Property, in association with Parker James Estates, is proud to present this substantial five double-bedroom, two-bathroom Victorian family home extends to over 2,400sqft and occupies a prime position on one of Sydenham's most sought-after residential roads.

Beautifully extended for modern family living, the property combines grand period proportions, impressive 3-metre ceilings and a low maintenance south-facing garden. Offering exceptional entertaining space alongside generous bedroom accommodation, this is a superb family home combining character, space and practicality.

The impressive double-through reception rooms feature a large bay window, beautiful fireplaces and excellent natural light, creating versatile living spaces.

To the rear lies the heart of the home: a magnificent 28ft kitchen, dining and family room. Flooded with natural light from overhead skylights and opening directly onto the garden via bi-fold doors, this superb space is designed for modern family life and entertaining. A separate utility space and guest powder room complete the ground floor.

Arranged across the upper floors are five well-proportioned double bedrooms and two family bathrooms, offering flexibility for growing families, home working and multi-generational living.

Further benefits include a substantial loft footprint of approximately 200sqft offering future potential (subject to permissions and consents), together with a large cellar extending to over 200sqft providing excellent storage.

Perfectly positioned between Sydenham and Penge East stations, the property offers excellent connections into London Bridge, Victoria and the wider London Overground network. Sydenham High Street, with its independent cafés, restaurants and amenities, is also within easy reach.

Floor layouts and walk-through videos are available directly from Jonny Dymond at Adore Property ahead of the full launch next week. Buyers wishing to arrange an early viewing are encouraged.
