Deceptively spacious 4-bed semi! Lounge, dining room, kitchen/breakfast room, conservatory, 3 beds + top floor master bedroom with en suite. Large south garden, parking. Near schools & station. Must view!

This deceptively spacious four-bedroom semi-detached family home occupies an excellent location close to reputable local schools and within convenient reach of Southend East railway station - perfect for families seeking quality education and commuter connectivity.

The property is significantly more generous than its frontage suggests, revealing surprisingly expansive accommodation across three floors. The ground floor creates wonderful flexible living spaces with a comfortable lounge, separate dining room for formal entertaining, and a practical kitchen/breakfast room for everyday family meals. A convenient cloakroom and large conservatory that floods with natural light complete this level, providing the perfect space for relaxation or additional dining.

The first floor houses three well-proportioned bedrooms and an exceptionally large family bathroom with ample space for the entire household. The accommodation's crowning glory lies on the second floor - a private master bedroom suite complete with en suite facilities, creating a luxurious retreat away from the main living areas.

The outdoor space is equally impressive, featuring a substantial south-facing rear garden that captures beautiful sunlight throughout the day - perfect for family activities, entertaining, or peaceful relaxation. Convenient off-street parking adds practical value.

This exceptional family home combines generous proportions, flexible living spaces, and outstanding location - far exceeding expectations from its exterior. We strongly recommend viewing to fully appreciate the surprising scale and quality accommodation this wonderful property offers.
