Located at the very top of Middlebeck Drive on the outskirts of Arnold, this impressive detached house offers a perfect blend of space, comfort and convenience. Set on a large double plot of just under half an acre, the property boasts an enviable location close to open countryside, yet only a short drive to Mapperley's thriving shopping area, with Arnold town centre also being close-by.

The property has been thoughtfully extended by the current owner, ensuring functional and practical living space in the region of 3000 sq ft, plus the large double garage. There are five generously sized bedrooms, providing ample space for families or those who enjoy hosting guests, plus three bathrooms (2 en-suite), making morning routines a breeze for everyone in the household.

The heart of the home is undoubtedly the breakfast kitchen, which is designed for both cooking and socialising. It flows through double doors seamlessly into a spacious bay-fronted living room, creating a warm and welcoming atmosphere for family gatherings or entertaining. Additionally, the original double garage has been transformed into a large games room, complete with a store room, offering endless possibilities for leisure and recreation. There is also a separate utility room and spacious dining room for more formal occasions, leading through to the study located at the end of the house.

Outside, parking is plentiful, with a large block-paved driveway for several vehicles, complemented by a double garage featuring a convenient remote electric door. Side gated access leads to the rear and predominantly lawned gardens which are also partially floodlit and serves as a great space for family activities.

In summary, this exceptional property is a rare find at this end of Middlebeck Drive, combining spacious living areas, a desirable location, and ample outdoor space.
