51 Abbotswood Gardens, Clayhall, Essex IG5 0BQ

PRICE GUIDE £950,000 - £1,000,000. A rare and distinguished offering, this substantial double-fronted semi-detached residence occupies an enviable position directly backing onto Clayhall Park — a coveted green outlook that few homes in the area can rival. Thoughtfully extended to create generous, flowing family accommodation, the property extends to five well-proportioned bedrooms and is anchored by a large through lounge that bathes the principal living space in natural light, complemented by a rear extension, a dedicated utility room and an integral garage. Every element has been configured for the demands of modern family life, while the setting offers genuine scope to extend and enhance further (subject to the usual consents), presenting an astute purchaser with a rare opportunity to add lasting value. The location is second to none for families: some of the borough's most respected schools are close at hand, including the highly regarded Park Hill Primary, the selective Ilford County High School and Caterham High School, alongside further 'Good'-rated primaries. Central line services at Gants Hill, Barkingside and Newbury Park place the City and West End within comfortable commuting reach, with the shops, restaurants and everyday amenities of Gants Hill and Barkingside just moments away. A commanding family home in a truly premier setting — an internal inspection is considered essential.
