*** Price Guide: £415,000 to £425,000 *** Arbon & Miller are delighted to present this VACANT two-bedroom mid-terrace home situated on the highly sought-after Timberdene Estate in Barkingside. The property is sold with immediate vacant possession, meaning there is no ongoing chain, making it an ideal purchase for first-time buyers or investors alike. Perfectly positioned, the property is within approximately ¾ of a mile of Fairlop Central Line Station, offering direct connections to Stratford in around 20 minutes and Liverpool Street in approximately 30 minutes. Barkingside High Street is also nearby, providing a wide range of shops, restaurants and local amenities. The ground floor comprises a spacious lounge and fitted kitchen overlooking the rear garden, while the integral garage provides excellent potential for conversion, allowing the ground floor living accommodation to be enlarged (subject to the usual planning consents). The first floor offers two well-proportioned bedrooms together with a family bathroom/WC.

Externally, the property benefits from a private rear garden ideal for relaxation and entertaining, as well as off-street parking via the front driveway. An internal viewing is highly recommended to fully appreciate the potential this home has to offer.
