Arbon & Miller are pleased to offer to the market this well-presented three-bedroom mid-terrace home, situated on the popular Barnardo's Way development and offered chain free with the added benefit of an allocated parking space. Internally the property provides comfortable and well-arranged accommodation throughout, including a master bedroom with en-suite shower room and a convenient ground floor cloakroom, while the addition of triple glazing offers excellent energy efficiency and a quieter, more comfortable living environment. Ideal for first-time buyers, families and investors alike, the home is set within an attractive and well-regarded modern development. The location is hard to beat for convenience, lying within close proximity to Barkingside Central Line station for direct links into the City and West End, while the shops, supermarkets and everyday amenities of Barkingside High Street are just a short distance away.
