A HOME OF PRESENCE AND POISE

This substantial detached residence pairs a striking architectural façade with an exceptional two-acre garden setting to create a lifestyle rarely found in such easy reach of the M65 network. From the moment you arrive, there's a sense of calm confidence, a house designed not just to be lived in, but to be enjoyed.

Inside, the layout unfolds with an effortless, grown-up generosity. Four beautifully appointed reception rooms offer distinct moods and moments: spaces for hosting, unwinding, working, or gathering as a family. The flow is intuitive, the proportions indulgent, and the atmosphere one of understated luxury.

Upstairs, five serene bedrooms continue the theme of comfort and scale. Two feature their own ensuite facilities, while a stunning family bathroom ensures the home functions seamlessly for both family life and weekend guests. Every room feels considered, a balance of elegance, privacy and practicality.

Beyond the walls, the grounds elevate the experience entirely. Approximately two acres of landscaped gardens wrap the home in greenery, with sweeping lawns, mature planting, serene pond, peaceful woodland and natural pockets that invite exploration, culminating in a generous wrap around paved terrace with glass balustrade, outdoor pool table, feature LED lighting, and space for an outdoor kitchen or pizza area. It's a setting that feels both expansive and intimate, perfect for long summer days, relaxed entertaining and the quiet luxury of having space entirely to yourself.

Altogether, this is a home that blends refinement with warmth, a premium family retreat where lifestyle, location and liveability come together with rare harmony.
