

Knowsley Road, Bolton, BL2 5PY

£750,000

AN IMPRESSIVE DETACHED PROPERTY ON AN IMPRESSIVE PLOT

We are delighted to welcome to the market this unique detached dormer bungalow, occupying an impressive plot within a highly regarded residential setting in the sought-after village of Ainsworth. Set back from Knowsley Road behind beautifully maintained gardens, the property combines generous, versatile accommodation with extensive outdoor space, privacy and attractive views to the front.

Ainsworth is a popular village known for its strong sense of community, local schools, traditional pubs, everyday amenities and picturesque countryside walks. Offering an appealing balance between village life and convenience, it is well positioned for access to both Bury and Bolton town centres, with excellent road connections across Greater Manchester. The property is also within walking distance of the heart of the village.

Internally, a spacious open hallway introduces the well-proportioned accommodation. The ground floor comprises a comfortable lounge, separate dining room and bright conservatory overlooking the rear garden. The well-appointed kitchen is complemented by a modern utility room, while three bedrooms—two doubles and a single—are served by a contemporary family bathroom and separate WC.

The first floor offers further flexible living space, currently arranged as an additional living room with an adjoining reception area suitable for use as a dressing room, home office or additional bedroom. This leads to a further bathroom, while a separate double bedroom completes the accommodation.

Externally, the size and quality of the plot are a defining feature. A substantial driveway provides ample off-road parking and leads to a double garage. To the rear, the beautifully established garden incorporates a generous patio, well-kept lawn and mature trees, creating a private setting for entertaining, relaxing and family life.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		78
(81-91) B		
(69-80) C		
(55-68) D	59	
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England & Wales		EU Directive 2002/91/EC
