

Hollins Lane, Accrington, BB5 2LB

£375,000

AN EXQUISITE FULLY RENOVATED SEMI DETACHED FAMILY HOME ON A SOUGHT AFTER ROAD

Nestled on the highly desirable Hollins Lane in Accrington, this exceptional three-bedroom semi-detached home has undergone a comprehensive renovation, having been stripped back to brick and meticulously rebuilt and finished to an outstanding standard. No detail has been missed, resulting in a beautifully presented, turnkey family home where quality craftsmanship and contemporary design are evident throughout.

The property offers three generously sized double bedrooms alongside two spacious and inviting reception rooms, providing excellent versatility for both family living and entertaining. At the heart of the home is the newly fitted bespoke kitchen, thoughtfully designed to combine stylish finishes with everyday functionality. A newly fitted first-floor shower room and convenient downstairs WC further complement the accommodation, with every aspect of the interior carefully considered as part of the extensive renovation.

Externally, the property continues to impress with beautifully landscaped gardens to both the front and rear. A double garage, off-road parking to the rear and additional land to the front provide excellent parking options, while gated rear access adds further convenience.

Ideally positioned for families, the home is close to a range of amenities, well-regarded schools including Hollins Secondary and Baxenden St. John's Primary, and excellent transport links via the A56 and M66 towards Bury and Manchester. Oak Hill Park and Haworth Art Gallery are also nearby, offering picturesque surroundings and walking routes.

Fully renovated from the brickwork outwards with no corners cut and no details missed, this remarkable home offers the rare opportunity to move straight in and enjoy an exceptional standard of modern family living.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		
(81-91) B		
(69-80) C		
(55-68) D	66	80
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs
