

EAV 3084 , Carvoeiro,

€3,500,000

This contemporary seafront property is located in one of the last urbanizations approved on the seafront in Carvoeiro.

This villa is currently under construction and it is composed of 4 bedrooms, all with ensuite bathrooms and walk-in closets, with direct ocean views.

On the ground level, there is a living / dining room, with open concept kitchen and central fireplace, and two bedrooms.

On the top level, there is an additional two ensuite bedrooms benefitting from fabulous seaviews.

The property is equipped with high-ceilings and large windows throughout for plenty of light and maximum seaviews, underfloor heating, air conditioning, garage, basement with a multi-purpose room, private entrance gates and garden with swimming pool.
