

Casa dos Sonhos Urb. Jardim das Calicas, Lagos,

€1,595,000

This superb single-storey property would make a dream family home, located in an elevated position just outside Lagos, within walking distance of the marina and Meia Praia beach. Set in mature, private grounds of 2,157 m², the property has been carefully renovated with meticulous attention to detail. The open-plan living areas flow onto the outdoor terraces, creating the perfect setting to enjoy the Algarve's enviable climate. The beautifully manicured gardens are ideal for children, dogs and remote workers with a garden office

While the villa has a lovely traditional Algarvian architectural style, it is equipped with all the mod-cons a discerning buyer requires, including external camera surveillance, ensuring peace of mind for you and your loved ones. Additionally, the Ubiquity WiFi system extends its coverage to the garden, allowing you to stay connected while enjoying the outdoors. A 10kWh PV Solar system with a 7 kWh backup battery and a Huawei electric car charger
