Description

This traditional detached bungalow is located in popular Furners Mead, which features flat level access and is just one road adjacent to Henfield High Street. The property features three generously-sized bedrooms and is situated in a highly desirable quiet corner of a cul-de-sac. Although it requires some modernisation, it is offered for sale with no onward chain.

The entrance to the property is via a pathway and a private drive that divides a neat lawned area, with the front covered by a double-glazed storm porch. Inside, the spacious entrance opens up in two directions: to the left, there is a large L-shaped double aspect living/dining area with large picture window overlooking the front garden and double-glazed French doors that lead out to the enclosed rear garden and patio area. This area flows into the kitchen, which features a range of basic high and low wall-mounted storage cupboards surrounding counter worktops on three sides.

To the right, you will find the three bedrooms, all of which are considered doubles and include built-in storage. Additionally, there is a family bathroom, a separate W/C and further storage cupboards in the hallway, including large airing/coat cupboard with radiator. Entrance to roof space.

Outside, the property boasts a lawned garden with mature trees and shrubs on three sides, a detached garage with an up-and-over door, window and separate side door with power and light supply, and parking for multiple vehicles.

In our opinion, early viewing is essential to fully appreciate all that this bungalow has to offer!
