A Staggered Three Bedroom Family Home in Bolnore Village Benefitting from No Onward Chain, A Garage & Private Driveway.

Situation

Bolnore is a small village located in the Mid Sussex district of West Sussex, England. The village is situated on the outskirts of Haywards Heath and is surrounded by beautiful countryside. Bolnore is a relatively new village, having been built in the early 2000s. The village is home to a mix of modern housing developments, green spaces, and community facilities.

Haywards Heath and the adjoining villages of Cuckfield and Lindfield provide an excellent range of local amenities including high street shops, independent boutiques, supermarkets, restaurants and leisure facilities. Haywards Heath offers regular direct services to London Victoria and London Bridge/St Pancras International, journey time from 42 minutes. The A23/M23 gives access to Gatwick airport, central London and the south coast.

Description

Set back from the road and enjoying an elevated view, this three-bedroom family home is offered for sale with no onward chain and is presented in good condition throughout. Located in the popular Bolnore Village, it is conveniently close to excellent schools and transport links, making it a property you don't want to miss!

The accommodation includes a spacious entrance hall with a storage cupboard and a downstairs W/C, leading to a fully fitted modern kitchen with integral appliances, including a fridge/freezer, washing machine, and dishwasher. At the end of the hallway, the bright and open-plan lounge/diner benefits from French double-glazed doors that open to an enclosed rear garden.

Stairs lead to the first floor, where you'll find all three bedrooms. The main bedroom features an en-suite shower room, while the second bedroom is a double, and the third is a single; each has space for both wardrobes and desks. A fully fitted modern family bathroom completes the upstairs area.

To the front of the property, there is a private driveway that can accommodate two vehicles, leading to a single garage with an up-and-over door and a charming front garden. The enclosed rear garden features two patio areas—one accessible from the patio doors and the other raised away from the house—separated by a lawned area.

The property is neutrally decorated throughout and as there is no chain, it is simply ready to move in!
