ESTATE AGENTS

A fabulous Grade II Listed period property, situated in a sought-after central Henfield location, on the prestigious private 'Cagefoot Lane' Sympathetically split from the original property, with versatile accommodation, three bedrooms, complete with a private walled garden and garage.

Situation

Cagefoot Lane is a sought after private gravelled Lane connecting directly to the High Street in Henfield village. The area is known for its 17th and 18th-century architecture and is surrounded on three sides by various Commons, making it a delightful place to live. It offers a range of shopping facilities, inns, cafes, a library, and a post office. Additionally, the Stagecoach bus service connects residents to nearby towns, including Horsham and the city of Brighton, which offer more extensive shopping and leisure options.

Description

Situated at the end of Cagefoot Lane, a prestigious private no-through road off Henfield High Street and set behind the walls of a listed building, Stevens are delighted to present this recently modernised and rarely available property for sale. Having been carefully and sympathetically divided from the original main house, 7 Chimneys, the property is in immaculate condition and features three generously sized bedrooms.

A personal gate from the lane provides access to the property. Once through, you are greeted by a pleasant lawned garden with additional patio area and a pathway that leads you to the front door. Inside, the kitchen diner centres around two main focal points: firstly, a spacious kitchen island surrounded by shaker-style units and marble worktops in a neutral colour scheme that allows light to flood through. Secondly a glass ceiling at the other end of the room, which currently accommodates the sofas and further enhances the bright and spacious feel. The downstairs area also includes a utility room and an 18-foot garage that features a roller sliding door plus integral access.

Stairs lead to the first floor, where all three bedrooms are conveniently located, along with a handy workspace perfectly positioned at the top of the stairs. The first two bedrooms share a fully tiled shower room, complete with an oversized shower and matching chrome fittings that give it an elegant touch. The principal bedroom includes a walk-in wardrobe leading to an en-suite bathroom featuring a wet-room style shower cubicle.

In our opinion, properties like this are rarely available, so early viewing is highly recommended to appreciate all the charming features this property has to offer!
