Description

Stevens are pleased to offer for sale this two-bedroom extended bungalow located in the popular Wood Lane area, right in the heart of Small Dole. The property is presented in good condition throughout, is move-in ready, and is sold with no onward chain.

This traditional bungalow features a private hardstanding area at the front, in addition to a shared driveway that leads to the garage. Access to the property is via the side entrance, which opens into a spacious hallway equipped with multiple storage cupboards.

The layout of the property offers great flexibility. The first two rooms overlook the front and are shielded from the road by a privacy hedge. One room is currently used as a bedroom, while the other serves as a sitting area, which includes a log-burning stove. The second bedroom is located at the rear of the property and benefits from the extension; however, these rooms could be interchanged and potentially adapted further, allowing the rear bedroom to open up to the kitchen (subject to necessary consents).

The kitchen also benefits from the extension and includes a sizable breakfast bar for more casual dining. It features high and low-level storage cupboards and work surfaces on three sides, ensuring practicality for everyday use. At the end of the kitchen, there's additional space for a large dining table. This area seamlessly flows into a spacious glazed conservatory, which offers a lovely view of the rear garden and serves as an excellent extra reception room.

Outside, the long, level rear garden is mainly laid to lawn and bordered neatly on both sides by mature plants. Additionally, there is a timber shed and a pre-fabricated garage, providing additional storage space.

Other standout features include both a shower room and a bathroom, ensuring that there won't be delays during busy mornings. Furthermore, the hallway includes a utility/laundry storage cupboard.

In our opinion, early viewing is essential to appreciate all the wonderful features this extended bungalow has to offer!
